

ES Data Burst December 2012

Update on TNWG Emergency Services in 3 minutes or less...

Union City SAREX – The SAREX at Union City on December 14th through December 16th is planned and funded for all wing airplanes. Please pre-register and indicate your preference for travel. This will be our last large exercise of the calendar year. I am looking forward to seeing you there.

ESTO Transition – Our Emergency Services Training Officer, Jeff Gebhart, has accepted a new position on wing staff. He has done a great job and I expect he will continue to be involved with ES in the future. I hope to have a new ESTO on board shortly.

Joint Exercise with ALWG – The planned Joint exercise with Alabama Wing has been canceled. They have been told that they must do an ops eval this year and it will be at that event.

Event Pre-registration – The number of folks pre-registering for events is still going up. Here is the link for future reference: <http://tnwg.cap.gov/pr/register.php?operation=insert> This link remains the same for every event. Save it in your browser favorites for convenience.

Constant Watch Comm Exercise – December 8th there will be a national communications exercise involving a message passed via HF-ALE to every wing in the region. If you are interested in participating please email jgebhart@tnwg.cap.gov for details.

VAN Donation Update – The donated Van with the 42’ antenna mast has been accepted by national. We are currently working on processing all the insurance paperwork. We will be looking for volunteers to assist in equipping it for its new role as a mission support vehicle. Please contact me at rborsari@tnwg.cap.gov if you are interested in helping out.

FY13 Actual Missions
